Sir,

I have the honor to acknowledge the receipt of your communications noted in the margin in the matter of the petition of Ananthavadhani and others of the Sri Chamundi Hill praying that a Sanskrit Patasala be opened on the Hill and to report that in the course of my inspection visits to the Hill I have made enquiries as regards it, the petitioners' requirements about tuition in Sanskrit. The population on the Hill of late seems to have somewhat decreased when compared with what it was before. The total number of Brahmin Houses there now is returned as 40 and the number of boys in them of ages varying from 4 to 24 years as 42 nearly. The number of students who

seek instruction in Sanskrit in earnest might come up to about a Dozen A course of study such as would make the students know Rudra, Trisati, Sapta Sati, Lalitha Sahasranama, some Prayoga with a knowledge of ordinary Sahitya is what seems necessary and sufficient for the Hill:and even up to this Standard I cannot promise to myself that more than a few can go up. I am inclined to think that rather than undertake the cost of the up-keep of a Patasala for Sanskrit on the Hill,it would meet all wants and conduce to provide good training if the system of Results-Grant be given a trial there for Sanskrit Study. I have much faith in it. I feel sure that one or two Brahmans who possess the necessary qualifications to impart instruction in the subjects referred can be found on the Hill to enlist Vidyarthies themselves and give them training. Only we might define a course of Instruction and therefor make announce suitable prizes to students who might pass in the Standard that might be fixed, and also grant to the teacher annually. While affording stimulus to the Guru to teach this method would provide incentive to the Vidyarthi to learn. Every year when the Sanskrit College Examination comes off, we can easily arrange to have the Hill Students also examined and declare the results.

If this proposal commends itself to Government, I can arrange

arrange to have details in connection therewith worked out for the final orders of the Government.

I have the honor to be,

Sir,

Your most obedient servant,

Officer in charge of the
Palace Establishments.
